The Wyoming Department of Health, Mental Health and Substance Abuse Services Division (the Division) is issuing this bulletin to provide guidance to funded agencies in complying with the Regional Service Delivery Plan as outlined in the FY2011 contracts. The contracts states in Section 9(a) (iii):

Regional Service Delivery Plan. Contractor agrees to comply with the provisions of the Regional Service Delivery Plan submitted to the Division as required in the previous Contract in the form approved by the Division, a copy of which is attached to this Contract as Attachment M and incorporated by this reference. Contractor agrees to designate a Mental Health Regional Planning Liaison(s) to the Division who will represent either or both the children's mental health services unit and the adult mental health services unit. The Mental Health Adult Services Liaison will work with the Division in the implementation of the FY2011 Regional Services Plan, trainings and technical assistance activities. The Mental Health Children's Services Liaison will collaborate on issues specific to children's mental health, including training and technical assistance opportunities. Liaison(s) will collaborate with the Division in the creation of a Regional Services Implementation Plan, Attachment D, to be submitted in the Agency's FY2012 funding application.

It is the Division's intent to utilize the current Medicaid liaison (or other appropriate person) to work in partnership with Lisa Brockman, Medicaid Behavioral Health Program Manager, and Shawna Pena, Children's Mental Health Coordinator, in addressing needs for children's mental health services.

The Regional Service Delivery Plan will be a comprehensive plan for all mental health services.
